

**Schriftliche Frage Nr. 161 vom 18. März 2021 von Herrn Balter an Herrn Ministerpräsidenten Paasch zur ständigen Prüfung der Gesamtauswirkungen der Corona-Maßnahmen<sup>1</sup>**

**Frage**

Im Zuge der Debatten im Sonderausschuss haben Sie auf meine Frage, ob denn die jeweiligen Corona-Maßnahmen ständig auf ihre Gesamtauswirkungen geprüft werden, bejahend geantwortet.

Die gesundheitlichen, wissenschaftlichen, ökonomischen und psychischen Auswirkungen der zu treffenden Maßnahmen werden also, so Ihre Aussage, bei jeder Entscheidung des Konzertierungs-Ausschusses "immer" berücksichtigt.

Dies bedeutet im Umkehrschluss, dass Ihnen, sowie allen Mitgliedern des Konzertierungsausschusses, die Folgen der Maßnahmen sehr wohl bewusst sind, diese aber im Sinne der "Rettung jeden Lebens vor dem Covid-19 Tod" trotzdem durchgeboxt werden.

Viele Wirtschaftssektoren werden irreparabel geschädigt, der Mittelstand in große Bedrängnis gebracht, mit enormen Folgen. Psychische Schäden mit außerordentlichen Folgen für Mensch und Gesellschaft werden in Kauf genommen. Die Rechtsstaatlichkeit wurde dauerhaft untergraben.

Dies alles pervertiert den ehrenwerten Grundgedanken des Gesundheitsschutzes, der am Anfang aller Corona-Maßnahmen stand.

Man kann also zu der Schlussfolgerung kommen, dass die restriktiven Maßnahmen gar nicht mehr - im Gesamtbild betrachtet - wissenschaftlicher, medizinischer oder gesundheitlicher Natur, sondern rein politisch motiviert sind.

In Ihrer Funktion als Mitglied des nationalen Covid-19 Konzertierungs-Ausschusses und aufgrund Ihrer getätigten Aussagen im Sonderausschuss, möchten wir Sie bitten, uns folgende Fragen zu beantworten:

1. Können Sie uns anhand von Studien oder detaillierten Berichten der verschiedenen Experten auf ihrem Gebiet belegen, dass die Gesamtauswirkungen jeder bisher getroffenen Maßnahme tiefgründig analysiert und bewertet wurde - im Hinblick auf alle betroffenen Sektoren ?
2. Können Sie uns anhand von Studien oder detaillierten Berichten der verschiedenen Experten auf ihrem Gebiet belegen, dass die Gesamtauswirkungen jeder bisher getroffenen Maßnahme tiefgründig analysiert und bewertet wurde - im Hinblick auf die psychischen Auswirkungen auf Mensch und Gesellschaft?
3. Können Sie uns anhand von detaillierten Analysen der verschiedenen Experten auf ihrem Gebiet belegen, dass die Gesamtauswirkungen jeder bisher getroffenen Maßnahme tiefgründig analysiert und bewertet wurde - im Hinblick auf die Rechtsstaatlichkeit?

**Antwort, eingegangen am 21. April 2021**

Seit Beginn der Corona-Krise in Belgien ließen sich der Nationale Sicherheitsrat und der Konzertierungsausschuss durch die fachübergreifenden Experten des Sciensano-Instituts, der Risk Assessment Group (RAG), der Risk Management Group (RMG), der CELEVAL-, GEES- und GEMS-Expertengruppen, des nationalen Corona-Kommissariats sowie der Economic Risk Management Group der belgischen Nationalbank beraten.

---

<sup>1</sup> Die nachfolgend veröffentlichten Texte entsprechen den hinterlegten Originalfassungen.

Ziel ist bis heute, sowohl sanitäre als auch wirtschaftliche, psycho-soziale und weitere bedeutsame Aspekte im nationalen Krisenmanagement zu berücksichtigen.

In der Anlage übermittle ich dem Fragesteller eine Auswahl relevanter Gutachten der oben beschriebenen interdisziplinären Expertengremien.

In Bezug auf die Rechtstaatlichkeit der im Rahmen des nationalen Krisenmanagements getroffenen Maßnahmen übermittle ich Ihnen zum einen eine Reihe relevanter Staatsratsgutachten. Zum anderen verweise ich auf laufende Justizprozeduren außerhalb der Zuständigkeits- und Einflussbereiche der Deutschsprachigen Gemeinschaft
